ISBN-13: 978-1771400022

Product Dimensions: 0.2 x 7 x 4 inches

Shipping Weight: 1.6 ounces (View shipping rates and policies)

Average Customer Review: 4.0 out of 5 starsÂ Â See all reviewsÂ (6 customer reviews)

Best Sellers Rank: #787,636 in Books (See Top 100 in Books) #264 inÂ Books > Humor & Entertainment > Puzzles & Games > Bridge

## Customer Reviews

Her manner of explaining kept me wondering and confused. I am a retired teacher and found this book difficult to understand due to the way it explained everything. I was constantly looking back and rereading and highlighting to see if I could figure out the moves she was attempting to explain. I was very disappointed with this booklet and gave up on it after struggling through just a few pages. I started taking bridge lessons several months ago and have played weekly with other members of the class. I find Audrey Grant's booklet "Bridge At A Glance" extremely helpful. We used the ACBL Bridge Series book, "Bidding", which I'd also recommend along with others in this series, (Play of the Hand, Defense, Commonly Used Conventions, and More Commonly Used Conventions). Harry Lampert's book, "The Fun Way to Serious Bridge" is great because it explains starting with the very basics and continues with many other topics. It has a well organized Table of Contents. What I especially like about this book is that it explains visually using illustrations and charts throughout. I am a visual learner so this appealed to me. The expert player who recommended this book to me said she has used it as a gift for others because it is cleverly illustrated with cartoon-like figures in amusing ways. I usually do not like the books "For Dummies" but the "Bridge for Dummies" by Eddie Kantar is excellent. It has a very well organized Table of Contents and also a 17 page index. One of my favorite books on Bridge is called, "Watson's Classic Book On the Play of the Hand at Bridge." It is old (original copyright 1934) but has a very detailed index. I also like the way he ends

each section with a summary of the important information covered.
