ISBN-13: 978-1572229563

Product Dimensions: 8.5 x 11 x 0.1 inches

Shipping Weight: 0.3 ounces (View shipping rates and policies)

Average Customer Review: 4.7 out of 5 starsÂ Â See all reviewsÂ (39 customer reviews)

Best Sellers Rank: #5,426 in Books (See Top 100 in Books) #3 inÂ Books > Law > Rules &

Procedures > Civil Procedure #1660 inÂ Books > Reference

Customer Reviews

well, the idea is great. Having something so clearly written out and easy to read is awesome. My only problem is that it is outdated, therefore some of the information is outdated and incorrect, which is a big issue.

What BarCharts are NOT: a comprehensive study guide. You cannot do well on a law school exam or bar exam relying solely upon BarCharts. That is not their purpose. What BarCharts ARE: a condensed overview of the black letter law. Use them as a quick reference to understand the material during the semester. Use them as a REVIEW of the material you (should) have already studied for the exam. In law school, BarCharts were the last thing I skimmed over before taking an exam. It's a good refresher. Same with the bar exam. I skimmed over my BarCharts both nights before the exam.

I love these... I am a list person. Love top 10's and all that kind of stuff, so these fit the bill. Breaks down several areas with basic/top info to know. Nice quick review in sturdy lamination.

I bought two huge supplemental textbooks, won a supplement via a Lexis raffle, and hauled around

two of the commercial outlines that Bar prep programs give away. Ultimately, it came down to this bad boy. Because of this product, my highest exam grade was in Civ Pro. Trust me, I thought I was on my way to getting a D in that course. Definitely buy!

We own a series of Quick Study guides. These guides are clearly not a substitute for 500-page study books, but are generally very useful quick references. We routinely consult the Quick Study guides when we need to write something with a legal slant, on a scientific topic, or merely a flawlessly punctuated document. This is a generic review, as one could always argue what each Quick Study guide should contain or shouldn't contain. As a general, basic reference, the sturdy guides are excellent, well-organized, and concise.

What these laminates do better than nearly any other resource is to give you a general overview and guide so you can understand where the material is going. Similar to the artist's technique where you have to create a vague rough sketch to understand proportion and relevance, these allow you to understand the significance of minutia and detail in the bigger schematic. Also great refresher if you are return after a long time away and your own notes don't make sense anymore. The Bad: These cannot replace the actual text or class material, though of the entire series Constitutional Law, Civil Procedure and Criminal Procedure come closest. Also, some of the case references are outdated. In particular, they do not have the 2007 amendments to FRCP which have been in effect for some time now. The Ugly: For those gunners out there, the laminate surface also makes these perfect to buy a second set to keep in the can for those "first thing in the morning" study sessions.

go and simple easy to follow and understand. a great companion to have in your brief case at all times. Excellent for a Pro Se

SUPER easy and convenient chart. When I was studying for the Civ Pro final, this chart really brought things together and put it in a format that was easy to study. I would recommend it for anyone taking Civil Procedure, or studying for the bar.
