Customer Reviews

This is a good book for the elderly to keep exercising the brain. It is big pages and letters, so not real hard to see. Yes I would recommend to other that enjoy word search puzzles.

Bought this as a gift. I like that it's big, not small, and feels substantial. The price, as usual, beats anything at a store.

All of your books I have purchased have been excellent. Will buy more as needed. Keep up the good work.

Bought this word search for my mother. She loves the word search books and loves the Everything series. Gives her many hours of fun.

Havent really worked in this yet, but it looks amazing. anything that promotes brain health is worth every penny spent

Every year I buy silly/useful things for my family Christmas. I plan to give these to a friend who LOVES these types of word search games. It arrived quickly because I have Prime and in good condition. I will update with any issues.

I like this book, but I like longer puzzles, I like the beach and TV and Movie book better Wish they would come out with new ones for TV and Movie and another new Beach book
