Customer Reviews

These are the perfect complement to the Wizard's card game. In a review of that game, someone mentioned that the scorecards included were too small and that these were more comfortable. That is true - these are the ideal scorecards for the game, and worth the extra purchase.

This score pad is 10X better than the little tiny pad that comes with the game, this pad is much easier to write on and see... especially for the older generation who doesn't trust the score keeper (grandpa) I would recommend this to anyone who loves a good game of Wizard.. not to mention you can make copies, or scan it in for later use

Score cards more than met my expectations. The large blocks made keeping score much easier than the smaller variety that come with the pack of Wizard cards. I am extremely pleased with the score sheets.

Put in large plastic ziplock bag with a couple of pencils and was ready to go...
