Judas At The Jockey Club And Other Episodes Of Porfirian Mexico (Second Edition)

Synopsis

This brilliant and eminently readable cultural history looks at Mexican life during the dictatorship of Porfirio Díaz, from 1876 to 1911. At that time Mexico underwent modernization, which produced a fierce struggle between the traditional and the new and exacerbating class antagonisms. In these pages, the noted historian William H. Beezley illuminates many facets of everyday Mexican life lying at the heart of this conflict and change, including sports, storytelling, healthcare, technology, and the traditional Easter-time Judas burnings that became a primary focus of the strife during those years. This second edition features a new preface by the author as well as updated and expanded text, notes, and bibliography.

Book Information

Paperback: 189 pages

Publisher: Bison Books; 2nd ed. edition (April 1, 2004)

Language: English

ISBN-10: 0803262175

ISBN-13: 978-0803262171

Product Dimensions: 5.3 x 0.4 x 8.5 inches

Customer Reviews

This is one of the books I recommend most frequently when people ask for fun stuff to read, in English, about Mexico. And I frequently assign it to students in intro-level history classes. I'm not entirely convinced by the chapter on rural life, but the book as a whole belongs among the best histories of the late nineteenth/early twentieth century period in Latin America. Dang! Now what will I assign my students? Bring this back into print, please!

Porfirio Díaz was the dictator in charge before the Mexican Revolution and the structure of society was clearly coming apart at the seams when he was in power. Beezley does an excellent job of showing how the society was coming apart through various aspects of the culture including religious festivals and life at the Jockey Club. The book is very well written but if you do not know what is

happening in Mexico during the Porfirian period than this will be a hard book to follow. For those who know a lot about Mexico this is a must read.

Very interesting!

Great buy

Only good thing about this book is it is shorter than many of his others. Seriously chapters on Mexicans riding bikes and gambling. Awesome bro.....
