This book is not only an easy read, but it is also highly inspirational. Doris Kemp gives us a gift that will be her legacy of faith. I read this book in record time and then purchased several other copies for family members. Don't miss out on this book. It is wonderfully written with passages that anyone can apply to their own lives. I highly recommend you purchase this treasure!

This is a great story about a woman from a small town and how her life is touched by God. This book is a great read and really shows how God works in her life. This often helps us realize how much God is acting in our own life. I would recommend this book to anyone.
