The ABA Guide To Assisted Reproduction: Techniques, Legal Issues, And Pathways To Success (ABA Consumer Guide)

Synopsis

For some hopeful parents, traditional methods of conception and carrying a pregnancy are simply not an option. For these parents, assisted reproductive technology (ART) provides a mechanism to achieve pregnancy and birth, whether through assisted insemination, in vitro fertilization, or gestational carriers. The ABA Consumer Guide to Assisted Reproduction explains the available ART options; the process for choosing a medical provider and legal representative; understanding and entering into appropriate agreements; and the unique issues that may arise pre-and post-birth. Written by attorney Jeffrey Kasky who has operated a surrogacy service for several years, the book will help to demystify the technology and give consumers the confidence and knowledge they need to achieve their goal of parentage through ART.

Book Information

Series: ABA Consumer Guide

Paperback: 224 pages

Publisher: American Bar Association (October 7, 2016)

Language: English

ISBN-10: 1634250176

ISBN-13: 978-1634250177

Product Dimensions: 8 x 0.3 x 10 inches

Shipping Weight: 9.8 ounces (View shipping rates and policies)
